99 Stormtroopers Join The Empire (Star Wars)

Synopsis

Ninety-nine Stormtroopers join the Empire, and then their troubles begin. One takes a lunch break in the carbon freezing chamber. Two underestimate a princess. One picks the wrong time to ask for a promotion. Another fails to show Jabba the proper respect. And one interrupts Lord Vader's private time, failing him for the last time. A lifelong Star Wars fan, Greg Stones brings a playful wit and sympathy for the plight of the troops as they meet their amusing ends, filling each colorfully painted scenario with fun Star Wars details and appearances by Han, Luke, Chewie, K-2SO, and many other characters. As the trooper count ticks down, how will the last one fare as he receives a very special assignment (on the Death Star)?

Greg Stones is the author of six illustrated humor books, including *Zombies Hate Stuff*. He lives in Rhode Island.

I love this book. LOVE! I have read it through twice...its so funny and has a BRILLIANT ending! And now Im going back and studying all the subtle details in Greg Stones' fabulous illustrations. If you're unfamiliar with Greg's artwork, definitely check it out. It's so cool Disney/Lucasfilm had the vision to support and embrace the development of this book. Definitely going to put in a multiple-copy order as gifts for friends.

Great read.
