Book was in great condition

Very informative with scriptures that address any situation or problems. I find how it's easy to rightly divide the word when you have more than one scriptures verse to understand a passage. Thanks!

Wonderful!

Great for your Spirt

This lady actually took time to break down the Bible so those with the true desire to know God could understand what his word meant!!!!!!!!!!

I absolutely love this Topical Bible, I have purchased it three times, giving the first two away to people who I thought could read and benefit from it. It is easy to read and helps you hone in on scripture subjects to really feed your faith and plant the word on what ever situation you may be facing. Sometimes when you pick up the Bible as a whole you have to search the scriptures and sometimes get lost in a good way on another subject, but with this Bible it centers the topic/subject

and has the scriptures for you to focus on period. Love it!! Thanks Prophetess Bynum!!

I'm delighted with the Topical Bible. It's nicely organized. Got a question on what the bible says about co-signing, witchcraft or raising children? Just check the table of contents and you're on your way. This book will be a great comfort to the reader who needs an answer in a hurry.

Easier to find the scriptures I'm looking for.
