Synopsis

Dear Listener, Mercury's in retrograde, and folks in Beaumont, South Carolina, are dealing with gossip, scandal, misunderstandings, and more secrets than ever. Local pediatrician Maggie Farnsworth has even bigger worries. Her wild-girl past has caught up with her in the form of her ex-boyfriend, a jailbird who just flew the coop— and is bent on tracking down Maggie and her daughter. Fortunately, FBI agent Zack Madden is on hand for protection. Unfortunately, his presence is turning up the heat on an attraction Maggie simply has no time for—or does she? But Maggie and Zack aren't the only ones getting busy: Fleas, the hound dog, is up to his old tricks— this time with Butterbean, a very alluring goat? Jamie Swift and millionaire Max Holt have babies on the brain. And resident psychic-slash-astrologer Destiny is fighting a crush of her own. Since the town's ice cream parlor is a magnet for gossip, no one can keep a secret and the sticky situations are even stickier. It's the wildest time yet in the town we love to write about, with the characters we can't get enough of. So sit back, relax, and enjoy a Full Scoop of fun, adventure, and romance. Dear Reader: There ’s a whole lot of trouble going on in Beaumont, South Carolina. According to resident psychic-slash-astrologer, Destiny Moultrie, Mercury  is in retrograde; Venus is in the seventh house, and the combination has turned Cupid wacko! Chaos rules as tempers flare and lust runs rampant. Newlyweds Max Holt and Jamie Swift-Holt are trying to make a baby, but their recently purchased antebellum mansion is under renovation and filled with feuding contractors. Vera has a crush on her new mailman, and is bent on looking ten years younger. Destiny is marked for marriage by the changing planets, and she ’s running for her life as the local redneck and bait shop owner is determined to make her his. Meanwhile, local pediatrician Maggie Davenport has considerably bigger problems now that her wild-girl past has caught up in the form of ex-boyfriend and jailbird who just flew the coop  and is determined to track her and her daughter down. If he doesn’t expose her secrets, there ’s a good chance Jamie ’s editor, intent on getting the *Full Scoop*, will. Fortunately, FBI agent Zack Madden is on hand for protection; but the new danger is the wild attraction he and Maggie share. Fleas the hound dog is experiencing his first crush on Maggie ’s adorable and alluring  um  pygmy goat? Add to that an Elvis convention and a local root doctor and hoodoo practitioner who decides it ’s time she take charge; only to have one of her spells backfire, and you ’ve got a gut-busting, laugh-out-loud story we hope you won’t 

forget! It's just another wild ride in the town we love to write about, and the character we can't get enough of. So kick off your shoes, sit back, and enjoy a FULL SCOOP of fun, adventure, and romance. Janet and Charlotte "The Jamie Swift and Max Holt series moves to a new level" as always, the dialogue and events are outrageous, wacky, and just plain fun. These two authors are wonderful together. I love Jamie and Max. You fine yourself laughing and sometimes crying. One thing you won't the book down.

Nice story, easy reading, I just gobbled it up like chocolate ice cream, you will get the reference after you read the book

I don't particularly like Charlotte Hughes' input; she seems to hold Janet Evanovich's sense of humor back. I've read other collaborations between the two and I don't particularly care for it. Hughes is a dreamer and lost in fairytale land about women. I don't know why there is always such a forced fairytale ending when Evanovich collaborates with Hughes. But portions of the story are believable, sort of, and it's entertaining. The interesting areas are with the doctor's daughter who is thirteen and her involvement with her own self interests. The doctor doesn't seem to be focused on her medical practice, at least the doing gets lost in the story. And then there is Queenie, a nurse and some kind of voodoo medler. The villian is ruthless, there isn't a lot of emotional investment in his character.

Loved it. I'm hoping there are more Full series.

Good book, love the author, easy read.

great read, great author

Love JE books

Always like a little Janet to take on trips. Finished softback of another Janet and passed it to my sister in law who passed it on to my sister on our recent week at the beach. Helps to have grown up

in the Trenton area to be amused by the sights and sounds in the Stephanie Plum books. Hadn't read any of the Full Series yet until now.
