Cruising Guide To Lake Champlain: The Waterway From New York City To Montreal

Synopsis

The comprehensive guide to Lake Champlain and the historic inland waterway from New York City to Montreal: Hudson River, Champlain Canal, Lake Champlain, Richelieu River, Chambly Canal, and Saint Lawrence River. The waterway is presented in four sections: 1). The Hudson River: from the bustling harbor and sky-scrappers of Manhattan past the scenic Highlands and historic West Point 150 miles upriver to Troy. 2). The Champlain Canal: the eleven lock, 62 mile canal dating from 1823 which joins the Hudson River to Lake Champlain. 3). Lake Champlain: the 'sixth' Great Lake, 110 miles of scenic boating between the Green Mountains of Vermont and the Adirondacks of New York. 4). The Quebec Waterway: 120 miles of river and canal travel in French-speaking Canada with the feel of a European waterway. Contains complete information on all marinas (over 125), anchorages, and services; with a focus on the history of nearly four centuries of exploration, warfare, commerce, and, now, recreation. Includes locator "chartlets" taken from US and Canadian Charts, over 360 photographs, and route-planning overview maps. 8.5" x 11" format with sturdy laminated cover.

Book Information

Spiral-bound: 240 pages

Publisher: Lake Champlain Pub Co; 5th Exp&Up edition (April 1997)

Language: English

ISBN-10: 0961641258

ISBN-13: 978-0961641252

Best Sellers Rank: #1,104,874 in Books (See Top 100 in Books) #43 in [Books > Travel > Canada > Cities > Montreal](#) #2739 in [Books > Travel > Reference > General](#)

Customer Reviews

The McKibbens are experienced cruising boaters who have travelled extensively on the waters between New York City and Montreal in both powerboat and sailboats.

the only good cruising guide book of its kind covering this region, but quite a bit out of date (as of 2015).

I did not notice this book was published in 1997 so was virtually not usable in 2016. Is there a newer version?

This book is a must for cruising Lake Champlain. It will show you the best places to go, and all required information for getting there.
