Sea More: Caribbean: Get The Most Out Of Your Day In Port

Synopsis

Pack your suitcase and grab the sunscreen! Set sail to the Caribbean with a former cruise ship crew member as your guide. Valerie D. Perry provides insights on how to maximize your time and minimize your spending on your cruise vacation. Your port time is precious, and Valerie provides insider tips on where to shop, what to eat, and which tours are not to be missed. Get extra info via the "Bonus Advice" sections throughout the book. Make the most of your time with "Perfect Day" sample itineraries for each port. Only a crew member can provide the insider knowledge of the "Below Deck" segments on what it is like to live and work on a cruise ship. Before you embark, get the seasoned traveler's perspective on over 16 ports of call: Nassau, Cozumel, Jamaica, Dominican Republic, San Juan, St. Thomas, St. John, St. Croix, St. Maarten, St. Kitts, Antigua, Dominica, St. Lucia, Barbados, Curaçao, Aruba, Royal Caribbean's Private Destinations: Labadee and Coco Cay. Don't take another cruise without first checking out *Sea More: Caribbean!*

Customer Reviews

I may be a little biased because I actually know Valerie, but I could not get enough of her book. I

wish I had money and time to book a cruise! I put my snow days to good use by finishing up her book. I now have questions for her about her experiences mentioned in the book, but I am also impressed with all the adventures she went on with others and by herself. Valerie has an adventurous spirit that came through well in her writing. I highly recommend this book if you are thinking of booking a cruise. I have only been on one cruise (Royal Caribbean - the cruise line Valerie worked for), but I hope to reference her book next time I am looking for a vacation spot.

We are taking our 18 & 20 year old daughters on a cruise in a few weeks. I have passed on a lot to them for two reasons. 1) Coming from someone else, it may be heeded! 2) There are things I know but may not remember to mention. This was a great reminder. The knowledge I feel I gained for the majority of the ports we are traveling to will be useful. I'm even more excited now than I was before purchasing and reading this book.

Good insightful information. Covers a lot of ports and the author shares her experiences. Granted the enjoyment will vary person to person but she shares why she liked it and as a traveller you can judge from there. If you are cruising to any of the ports written about in this book; I think it's worth reading. It's part diary and part reference log.

I bought this book just in time for my first ever cruise to the Caribbean, and it's fantastic. The author is a former cruise ship crew member so she knows what she's talking about. For each destination you'll get top tourist destinations as well as secret spots only the locals would know about. Interspersed with the tourist recommendations, Valerie Perry also writes about her interesting and often humorous time living on a cruise ship. If you cruise the Caribbean this book is a must.

What a great book! It took me on a journey to these beautiful ports! While I was reading it, I felt like I was traveling with Valerie in a fun and relaxed way. I am also a former crew member, and I even learned about things that I didn't know about, even though I thought I had done it all in those ports. Great book and fun to read! Next time I go on a cruise vacation, less wi-fi and more adventure, like Dora! I mean, Valerie...

Very easy to read, conversational style. Although I've been on 16 cruises, I still learned valuable and interesting information for my future cruises.

Just finished this book...what an easy read. We are planning our first Caribbean cruise and the information and insider tips included in the book are really great! Would recommend this to anyone planning a Caribbean trip!

I LOVED this book! As a frequent cruiser on Royal Caribbean ships and one who will be visiting a lot of these islands soon I was very interested in the information. I also liked the insight into life as a crew member.
