Customer Reviews

I just got a fondue pot at a yard sale and needed recipes for it and this book has some really great recipes in it.

I've browsed the net I checked the book stores and this book was much better then what I found elsewhere. I like that all the recipes are easy with ingredients I could find in my local grocery store. Fondue is suppose to be easy , delicious and a fun way to spend time with family and friends. Ann understood that and packed a great book filled with those recipes.
