Synopsis

THESE ARE THE REAL BOOKS BY CUBE KID!Ã A DIARY OF AN 8-BIT WARRIOR: FROM SEEDS TO SWORDSÃ A Ã¢â WASÃ A ORIGINALLY PUBLISHED AS WIMPY VILLAGERÃ A KINDLES 5-8. Pet slimes. A potion brew-off. And, to make matters worse, thereÃ¢â ¯â„¢s a strange girl following him around wherever he goes. But old enemies will become new allies as the town rallies to save the school from a series of mysterious mob attacks. Can Runt and his friends take down the biggest, baddest boss mob yet?Ã A The adventures continue in this second installment of the unofficial Minecraft diary series by Cube Kid.

Customer Reviews

My boy loved this book! We are reading the series as they come out! When I received the book it

was the weekend and he immediately went to read it and it was not even a reading time in our home! This tells me how much enjoy these books!

Great Reading for a 10 year old Minecraft fan! This book is one of the series "Diary of an 8 bit warrior". This is the only set of Minecraft books that my 10 year old son has found to be worth the purchase price. He really enjoyed this book and has read it multiple times

My 8 year old absolutely loved this book. He's a minecraft junkie and I'm all for pushing him to read more than just play video games. He read the entire book in about 2 days and begged me to order the rest in the series. If you want to give a gift to a child this is the perfect idea to encourage reading and keep them entertained.

This book was awesome, another piece of awesome, amazingness from CubeKid! But my favorite part was when you put in my name, Joanne and my sister's, Jaime! "Joanne and Jamie, twin sisters." When I first read it I was like, "f A A, E A" ... then like,

[illegible]

Cube Kid has made another great book, but the question is. . . when is Kolbert 1 coming out? Cube Kid said it would be out before August, but it's almost September! But this is a good book. Don't mean to be rude. But because it's taking so long, (in the words of Runt) he's going to build something crazy.

[illegible]

but if you don't buy this book because of this review just look at my rating and my title so over all this has been my favorite book in the series so buy it Cube Kid is the best author of all time can't wait for book 12 TTYL

My son loves Minecraft and this particular series. Got him to read a whole series for once with no prodding. Whatever works works. He told me he even read the books aloud to friends at school who enjoyed these books as well.
