Retrospecta

Synopsis

Retrospecta is the annual journal of student work at the Yale School of Architecture. Part historical record, part monograph, Retrospecta seeks to capture and record the current life of the school. Documenting one academic year, each issue contains exemplary work from both the design studios and support courses. The daily activities of the school, including lectures, symposia, exhibitions, and studio reviews, are also highlighted through numerous candid photographs and quotations. The journal is edited by students and published by the school.
