Play-A-Long Series, Vol. 113, Embraceable You - Ballads For All Singers (Book & 2-CD Set)

Synopsis

Intermediate/Advanced. 2 CDs and book. Pianist Steve Allee creates an intimate setting with singer-sensitive solo piano accompaniment for 12 of the greatest ballads every written. Each song is recorded in 2 keys - one for lower voices and one for higher voices - ensuring all singers, men and women, can find the best key for their voice! Selected songs are presented in two tempos (ballad and medium tempo) on separate tracks, adding excitement and variety to these time honored classics. Melody, lyrics, and chord changes are clearly presented in the book and the pianist on the CD provides singer-friendly intros and voice leading, making it easier to find the melody. Note: The book contains C parts only - no transposed parts for Bb, Eb, or bass clef instruments, but horn players will love playing and practicing in singer's keys. Rhythm Section: Steve Allee (solo piano). Includes: Body And Soul, I Can't Get Started, Dancing In The Dark, I Didn't Know What Time It Was, Embraceable You, I Only Have Eyes For You, I Could Write A Book, I Thought About You, Love Is Here To Stay, Someone To Watch Over Me, When I Fall In Love, Where Or When.

Customer Reviews

I purchased this book for my wife to get her to sing some "jazz" standards with me when I perform. We worked together and found the solo pianist playing the backgrounds does a GREAT job of playing enough to make the arrangements have "life" but not so much that he steals the show. My wife spent 3 days working on prepping four of the songs...performed and got rave reviews! What made this possible was great songs with great lyrics played by a great piano player. The cool thing is the arrangements left room for me to add a course of jazz improv on my sax with each of the

tunes, as well as room for me to play some background "fills" while my wife sang! Highly recommended!
