The University Of Chicago Spanish-English Dictionary, 6th Edition

Synopsis

The new and updated edition of the USA TODAY bestseller and most popular Spanish dictionary provides easy reference for educators and language learners everywhere. Now in its Sixth Edition, this national bestselling Spanish to English dictionary and go-to reference guide for educators everywhere quickly guides users to the right word in every situation. David Pharies has drawn from our current vernacular to make additions and improvements that will benefit students, teachers, home schoolers, and travelers alike. It includes:

- * 6,000 new entries reflecting today's linguistic and cultural changes*
- Updated words and meanings, including slang, everyday expressions, and essential terms from medicine, business, digital technology, and sports*
- Expanded delimiters for more accurate word selection*
- Bilingual guides to grammar, pronunciation, parts of speech, suffixes, and regular and irregular verbs

Customer Reviews

David Pharies, professor of Spanish at the University of Florida, is a widely known expert on the history and development of the Spanish language. He has written about many aspects of Spanish philology and linguistics.

I cannot say enough about this as a carry around dictionary. This is the second one I have purchased. I bought it because the other one was worn out and this is a new edition I have bigger dictionaries for use at home and would be lost without this to take to class. This little gem has info

that my Oceano and Barron's don't have. I really appreciate the verbs conjugations in the front and the various explanations and usage info with the words.

This version replaced an ancient falling apart edition that I just had to put in the trash. One needs to brush up on their grammar once in awhile.

Great tool!

print too small for me. otherwise content ok.

The print is extremely small, but readable....barely.

Love it. It's light, easy to just grab when necessary.

It's exactly what they say it is: A Spanish and English dictionary. You can't really go wrong with this.

My Son requested this version for the Spanish Class in High school. Works well for him, this was also teacher recommended
