Customer Reviews

Marjolein Bastin's passion for the natural world is of a universal quality that appeals to people the world over. You can find Marjolein's artwork on greeting cards, calendars, dinnerware, bedding, gifts and many other products. But for Marjolein only one thing remains important: spend every day behind her desk painting the natural world around her. She also writes and illustrates children's books featuring the endearing Vera the Mouse character, which she created. Through her art and words, Marjolein offers people a simple reminder to pause and enjoy nature and allow it to be a source of serenity, energy, and healing. Finding inspiration in a bird lighting on a branch or a leaf drying in the autumn sun, Marjolein takes long walks each afternoon to seek new ideas for her artwork and her writings. Marjolein and her husband Gaston divide their time between country homes in Holland, Switzerland, and in Missouri, as well as a tropical retreat in the Cayman Islands. Each setting provides a unique glimpse of what nature has to offer throughout the world. The couple has a son, Mischa, a daughter, Sanna, and two grandchildren.

Absolutely Beautiful! If you like Marjolein's greeting cards, you'll love her calendar also.

I've always loved her art work and this calendar doesn't disappoint. Good size wall calendar.

Beautiful calendar

I have ordered these beautiful calendars in the past and loved them. The art work is superb and the size of the calendar leaves lots of space to record important dates.

Beautiful quality paper and the artist is one of my favorite so the paintings are beautiful!

Kids always love birds!

It's Wonderful
