I

couldn't stop reading." • Stephen King, Entertainment Tonight "I was so obsessed with this book that I had to take it with me out to dinner and hide it under the edge of the table so I wouldn't have to stop reading... The Hunger Games is amazing." • Stephanie Meyer "[The Hunger Games] is a great book, and very thought-provoking. Read this along with your teen and discuss it." • Charlaine Harris "Brilliantly plotted and perfectly paced." • John Green, New York Times Book Review "A plot-driven blend of suspense, science fiction, and romance." • USA Today "Enthralling, imaginative and creepy." • Los Angeles Times "superb tale" • Booklist, starred review "Readers will wait eagerly to learn more." • Publishers Weekly, starred review

I really liked the in depth detail that it went into on a lot of the descriptions or grey areas in the book/movie, but I really feel like that most of the sources for the book were based off the movie, and the movie didn't cover EVERYTHING that was in the book so you missed a lot of that detail/description if you read the book so things might not add up. Also I liked the pictures but not all were accurate because they came from the movie, not separate pictures that had more of the detail from the book.

This book is not what I thought I was getting. I ordered this because in the description it says its a book that says things about each district and each character from all the BOOKS. HA!!!!!! All this is pictures from the first movie!

Read through all 192 pages in like half an hour since majority of the book is pictures from the movie. Still enjoyed it though.

It tells you a lot about the moive and book. Troughout the hole book they quote from the first "hunger games" book and just put pictures with the quote.

I liked the book. But any fan that has read the books more then once will realize in the second chapter that the book just repeats information from the book. However I did enjoy the pictures and the quotes from Suzanne Collins. Out of ten, I give it a 6.

Was a gift and was Returned!

uninformative. a repetition of info that's already in the books.

Read in fifteen minutes. Nothing interesting. Just exact quotes from the book. Save your money!
Very disappointed. Wish I could return.
