African American Art 2011 Wall Calendar

Synopsis

Over the past two centuries, black American artists have consistently produced outstanding work in a wide variety of styles and media and in scales that range from the intimate to the monumental. The twelve paintings and collages featured in this calendar--by African American artists Benny Andrews, Romare Bearden, Eldzier Cortor, Beauford Delaney, Jacob Lawrence, Hughie Lee-Smith, Norman Lewis, Betye Saar, Henry Ossawa Tanner, Alma Thomas, Bob Thompson, and Charles White--draw inspiration from jazz, blues, children's games, biblical stories, European masterworks, African art and culture, and the intersection of personal and public history. Together, they offer but a sampling of the contribution African American artists have made to the global history of art. Published with the Michael Rosenfeld Gallery. Size: 12 x 13 in.; opens to 12 x 26 in. Printed on FSC certified paper with soy-based ink.

Customer Reviews

For years now, I've bought the African American Art calendar. It brightens my home office. Also, after the calendars have expired, I use the artwork to make bulletin boards at the elementary school where I work. The children I teach enjoy perusing the work and seeing art, not only made by African Americans, but showing images of African Americans.
