Rodrigo Y Gabriela 11:11 (Guitar Tab Editions (Wise Publications))

Synopsis

11:11 is the latest studio release from Mexican guitar duo Rodrigo Y Gabriela. Following on from their self-titled 2006 album, this new collection again showcases their unique style, which has seen them become festival favourites worldwide and attract widespread critical acclaim, including an Allmusic 4.5 star rating. Each of the 11 tracks on the album is a tribute to a particular guitarist, from fusion legend Al Di Meola to the late metal guitarist 'Dimebag' Darrell. All of Gabriela's incredible percussive rhythmic parts, and Rodrigo's fluent lead lines have been meticulously transcribed in this new tab folio. Also included are the guest appearances on the album by figures such as Alex Skolnick.

Customer Reviews

easy to read , hard to play

I purchased Rodrigo y Gabriela's first guitar tab book and absolutely love the second album follow up. Their songs and style are absolutely amazing. I even got my guitar teacher hooked on learning

their stuff. If you're interested in something challenging, (intermediate to advanced guitar level), with a unique sound, this is definitely something you will want to try out. I feel like my level of guitar playing has increased greatly from trying to learn their music. Awesome book!!! LOVE IT!!!

Best tab book ever!
