En Espanol Mas Practica Cuaderno Level 1

I really like this book is easy to follow and we have the opportunity to use the CD with the students. It has verbs, conversation and explanation of the Spanish language.

My daughter is getting tutored, her Tutor uses the same Curriculum that Manhattan Beach school district uses, so its aligned to Spanish classes given in the area.

Everything I was hoping for. The description was true to its word.

Great Product and quick service.

Thank you
