Camping Cooking: Delicious Campfire Recipes

Synopsis

Loving camping more with These Gastronomically Good Campfire Meal Recipes Many of us, especially our little ones, simply love the great outdoors especially going camping. But for moms and dads who are in charge of cooking, this can easily become a food nightmare. Each time you cook a meal it can be burnt, overcooked or undercooked. That's why many of you resign yourselves to buying canned meals or easy to cook meals. But, even then we can't control the fire and still end up with mixed results. And most of all, for parents the most horrifying thought when going camping are the various kitchen tools that we need to bring just to whip up a good meal. Sometimes we forget important ingredients or kitchen utensils and end up improvising. Sometimes the results are good but sometimes a total flop. So, with this campfire recipe book, I am providing you with lots and lots of great tips to cook your meal with burning it and making it taste no little less than ash. With this book, I am making you campfire chefs in your little tent kingdom. So what else is in this book? In this book I have segregated the recipes into three different types. One are perfect for breakfast. The second type of recipes are main meal recipes that you can cook for your dinner or lunch heck you can even cook it for your breakfast if you want to! And the third category are the items that kids love most, snack time from S'mores, muffins, hotdog on sticks to out of this world recipes that you and your kids will love. And lastly, the recipes have some tips to help you prepare the meal easily. It will also have some tips on the different campfire tools that you may need or even how to improvise. I hope that you will have a great time using these tips and recipes in your next camping trip!
