Still Dead: A J. P. Beaumont Novella (J. P. Beaumont Series)

Synopsis

[Read by Alan Sklar] Since the disbanding of the Special Homicide Investigation Team, J. P. Beaumont's biggest concern is pondering whether he and his wife, Mel, should finally get a dog. But one voicemail from his old friend Ralph Ames is about to change that. Through Ralph, Beau has become involved in an organization called The Last Chance, which enlists a number of retired homicide investigators to tackle long unsolved cold cases. The one that has just landed on Beau's plate is a thirty-year-old missing persons case. The facts are muddy at best; Janice Marie Harrison's car was found abandoned near a bridge, and scratched in the dirt nearby was the word "sorry." It's possible her death was a suicide, but her body was never found. And as Beau begins to investigate, he discovers that no one connected to Janice -- not her once all-star football player widower, Anders; not her long-grieving sister Estelle; not sheriff Gavin Loper, who was deputy sheriff at the time of Janice's disappearance; and not Anders' second wife, Betsy -- is exactly what they seem. The question is, which of them knows the truth? And why have they kept it buried?

Customer Reviews

J. A. Jance is the New York Times bestselling author of the Ali Reynolds series, the J. P. Beaumont series, the Joanna Brady series, and a number of novels featuring the Walker family. Before becoming an author, Jance worked as a librarian and a teacher on a Native American reservation.

J.A.Jance is way not strategic and crafty to put out this way too obvious a short story and as a result

this leaves me a little bit cold. The usual good story build up and character work but no who run it
She has written way better.

Good story, enjoyed it very much. I always like J. A. Jance, she is a super writer and she's never written anything I didn't like. Look forward to more.

I enjoy all of her books. Beaumont seems like a great guy and a smart one too. He solves lots of old cases and keeps it interesting

J. P. Beaumont doing what he does best. Solving murders. Great short story, by an excellent author. Janice keeps the pages turning.

I liked the "novella

As always, Jance earns another FIVE STARS from me! Great to have Beau back in action again. Keep those books coming. Now to see, if Beau & Mel end up with a dog???

As usual, Jance has written another fine, be it short, story. I have always enjoyed J.P. Beaumont stories and this one is great!

Short, but enjoyable reading as always by this author. He never lets you down. I don't think he could write a bad book.
