Customer Reviews

Now if only I actually had time to learn all of this music...

Need to rip out the pages if you want to play from it. Needs coil binding.

A fine collection of songs by Hans Zimmer. Right now these songs are a little above my playing level which is beginning- middle intermediate but I'm very much looking forward to learning these songs in the future.

Exactly as described; shipped fast.

Grandsons love the music as they learn to play piano.

Excellent music...just what I was looking for.

Our daughter asked for this to help her continue in her piano practice. It was an excellent buy!

All the music sheets of many Movie themes I was looking for.
