LIZZIE SCOTT

Synopsis

Following the emotion ending of Peter and Carlâ™s placement with us, Howard and I had boarded a plane and flown off to celebrate our anniversary and re-charge our batteries. Knowing that we were due to have two sisters sharing our home as soon as we returned, and with the younger one having a minorâ™ learning disability, we were aware that our home life would possibly need a little adaption, but would never have imagined how much was about to change nor how diverse our family would become over the ensuing months, as first Summer and Macie moved in, the twins moved out and Abbie arrived, followed by Danny, Mark and finally Toby. Some of these children had a bright future ahead of them with loving new forever families. Some were not so luckyâ |

Another brilliant book by Lizzie Scott

An absolutely lovely book telling. The stories of one set of fantastic foster parents and some of the children they took in and loved as their own having. Been a foster mom myself il quite agree with this family's philosophy of loving this children as if they were your own...indeed while you know you

won't get to keep them, I along them your own while they are with you yet knowing they also have other parents and rules from Social service to live within. Also having been a case manager for CPS for several years (not at the same time as fostering) I know how special and amazing good foster parents are. God bless this family.

I enjoyed this book thoroughly it's too bad for some but what an amazing love this woman and her family had and patience what a maddening wonderful emotional rollercoaster ride it does sit well with me to know that already there are foster parents that do their best for the kids it's a beautiful tale of truth

I went on the journey with these people do good to be there with this great family that were such kind people that really loved and cared for the children God bless you dizzy Scott Jeanie

Lizzie Scott is an awesome author. Everything about her, and the children engulfs me for weeks at a time. Thankd,for your hard work and dedication
