## Customer Reviews

Peterson's guides are usually exceptionally helpful, but this one has distinct limitations. It presents brief narrative data (usually one short paragraph) on 178 boarding schools and 78 summer programs in the U.S. and Canada. Each school has the narrative data repeated in English, Spanish, French, Japanese, and Chinese, all on one page, and followed up by 19 graphical icons to give additional data (dress code?; student-computer ratio?; boys:girls?; percentage of international students?). The icons have to be memorized, or the reading is very slow going. Clearly designed for foreign readers, it is less useful to US readers than other boarding school guides.
