Introduction To The Law Of Corporations: Cases And Materials

Synopsis

This open-source casebook is the fifth edition of a casebook using the H2O platform of Harvard's Berkman Center. This casebook is intended to be used as the main casebook for an introductory course on the law of corporations. Because it is subject to a Creative Commons license and can be printed via /CreateSpace, it is available to students at a very modest cost. Alternatively, students can read and access the cases and materials online via the H2O platform at h2o.law.harvard.edu at no cost. This casebook and the H2O platform are part of an effort by educators to make high quality course materials and casebooks available to students at reasonable prices.
