# How To Rescue Your Loved One From The Watchtower: 2010 Edition

## Synopsis

Each year thousands of husbands, wives, sons and daughters are converted by Jehovah's Witnesses through their so-called free home Bible study. This book tells exactly what to do to rescue them from the JWs. The main point to remember when a loved one first starts getting involved with Jehovah's Witnesses is to avoid delay. But, unless you are thoroughly versed on the Watchtower Society and well trained as a debater, the JWs will shoot you down on every point. This book helps you: (1) Plan your strategy and learn techniques that work. (2) Collect convincing evidence. (3) Present your material in the proper manner at the appropriate time. (4) Become familiar with the tools you'll need. An unusual and valuable feature is the inclusion of pages from Watchtower publications which demonstrate falsehoods and inconsistencies in Jehovah's Witness doctrine. DAVID A. REED spent 13 years as an active Jehovah's Witness, serving as an elder and as the JW equivalent of a local pastor. Reading the Bible itself led him to Christ. He has authored more than a dozen books, including Answering Jehovah's Witnesses Subject by Subject and the popular Jehovah's Witnesses Answered Verse by Verse. His web sites on this topic include [www.AnswerJW.com](http://www.AnswerJW.com) and [www.CFTF.com](http://www.CFTF.com).

I haven't read all of it yet. But so far I am finding it very interesting.

Almost 20 years ago, I bought into Jehovah's Witnesses indoctrination. This book was a major influence in my decision to leave the organization. Reed was one of Jehovah's Witnesses for 13 years. He brings an insider's view of the organization. Because of this, he is able to write plainly but non-judgmentally about Jehovah's Witnesses. If not for his compassionate tone I would have blown off what he had to say. But I kept reading because I knew he wasn't against me or any other of Jehovah's Witnesses. His Christ-like spirit bypassed all my defenses and enabled me to hear his message. He also gives practical advice for approaching converts. I've read many books about cults over the years. In my opinion, this is one of the most valuable out there.

A very good reference text describing very helpful processes and the required attitudes of those who wish to help loved ones get out of the cult. The author refers to his own experience just as David Bridges does in his two and about to be three books. This book should be read and on hand for all social workers, mainstream church clergy and those with RMFT and CTS qualifications

Great read for family members of JW's.

Excellent. May all true believer's in Jesus Christ, and God's true Word, the Bible, Thru the Holy Spirit, Be able to help someone caught up in the cult of the Watchtower. I thank you David Reed.

Good good book, must get it. I appreciate the insight in this book specially since I go up against Jehova's witnesses often.

Great thank you

excellent information
