Look At Me! (Scholastic Early Learners: First Steps)

Synopsis

In Look At Me!, vivid photography of adorable baby faces matched with a foldout mirror make for an engaging first book that's tons of fun for babies and their parents! Part of a new baby faces line, these sturdy, small board books are just right for curious little ones fascinated by other baby faces. By turning the page, babies can observe the faces of a range of different children expressing an array of emotions. And with the foldout mirror, little ones can mimic these expressions themselves. There are bright pictures and simple rhyming text throughout the book, which teaches emotions and other first words while reinforcing children's awareness of the expressive faces around them. Scholastic Early Learners: Interactive books for hands-on learning. Perfect for babies, toddlers, preschoolers, kindergarteners, and first graders, too!
