[Then & Now Bible Maps] is the perfect size to fit into the back cover of my Bible. It is very good to have a material so concise, attractive and easy to handle. [I am] amazed by [Then & Now Bible Maps] quality and content. Whereas so much Christian literature is pure entertainment, here we have something didactic presented in an attractive way, rich in spiritual substance. I hope that you find a wide audience to spread this knowledge -- it is worth the effort. --B. V. Henry Henry, Author of "Forsaking All for Christ"

I purchased so that I could view the maps on my iPad in the Kindle app. Instead I was presented with a notice that due to screen limitations everything had been redesigned, and all I had to do was visit their web site and download the free PDF file. Grand, I now have the maps on my desktop computer, but NOT on my iPad in the Kindle app -- which is where I wanted to use them. Since I had to give them my email to get the PDF files, I'm guessing I'll be bombarded with junk mail. The Kindle version of these maps is nothing more than an advertisement. I'm very disappointed.

This is a great map for anyone studying scripture. I am in a bible study and we are studying Isaiah all year long. These maps are extremely helpful to put names with places, and adds so much more to my bible study. I also love the fact that the overlays tell you where these ancient cities are named today. Every time I turn on the news and hear about different events in the Middle East, I can reference what those places were 2000-4000 years ago, and what historical event took place there. It's very fascinating! Rose (the publisher) also sells a pocket version for \$4 each. It's not as extensive as this one, but because I loved this one so much, I bought the pocket version for my entire bible study class. There is also a then and now "deluxe" version that has even more maps and more reference material.

Excellent map selections. Even modern areas, such as Golan Heights, West Bank, Gaza Strip, and so on are clearly outlined. also, coastal cities, Paul's routes, entire Red Sea area, Arabian Sea, Haran, Tigris and Euphrates Rivers, Persian Gulf, modern places in red, ancient lands in black, 12 Tribes in Canaan, Empires and Kingdoms, Jesus' travels area, and so on.

This Bible map book has clear plastic overlay that show where certain places mentioned in the Bible are located today! (It is also available as a set of overhead transparencies, which is ISBN 0965508234.) This spiral-bound book contains 12 full-color Bible maps, each with a clear plastic overlay that shows modern-day cities and countries. Includes the following maps: * The Middle East during Old Testament Times * Overlay of modern-day Middle East * The Assyrian Empire, Babylonian Kingdoms and Persian Empire * Overlay of same areas with modern-day countries * The Holy Land during the time of the Old Testament * Overlays of United Kingdom, Divided Kingdom, modern-day Israel and surrounding countries * The Holy Land during the time of Jesus * Overlay of modern-day Holy Land * Paul's Journeys (Roman Empire at AD 60) * Overlay of modern-day Mediterranean area. The print is relatively large for an Bible atlas (not giant print, but not as bad as some Bible atlases).

The maps from ancient times overlaid by maps of today's nations is helpful. I finally discovered that if you set the cursor in the center of the map and click, the map enlarges enough to read the words. For months I didn't know that.

I bought one of these for me and then reordered two more for friends of mine that do ministry work. It is well made, durable, colorful, a good price and very interesting to see how they show both the Bible times location and where the places are today. Very good value!

Really neat! Keep it in my Bible cover with my Bible so I can refer to it and better understand the places that are mentioned in the Old Testament compared to our current maps of today!

Awesome bible map, very accurate and perfect for bible study or teaching. Love how simple everything is laid out and how you can refer to the old and the new. Super fast shipping and excellent seller
