The Junior League of Denver, Incorporated, founded in 1918, is an organization of women committed to promoting volunteerism, developing the potential of women, and improving the community through the effective action and leadership of trained volunteers. Its purpose is exclusively education and charitable. The revenues received from fundraising efforts support the Junior League of Denver's purpose and community programs.

The Junior League of Denver has absolutely GREAT cookbooks! I already have two others.....Colorado Cache and Creme de Colorado....and they are excellent! Now I have all 4....unless I've missed a newer one. I am looking forward to trying recipes from my new arrival, "Colorado Colore"

Not at all as interesting or as user friendly as the others in this group. I should have followed the

advice of other reviewers and not purchased this cookbook. Just not my style.

This cookbook is not filled with ingredients that you've never heard of or know you'll never be able to find at your local grocery store. You can not go wrong with cooking any of the meals in Colorado Colore. It is filled with simple recipes that are full of flavor without adding to the ingredients. I highly recommend this cookbook to those intimidated by cooking and to those who love it.

great book

Fast service, as described.

I love the Colorado-Junior League of Denver cookbooks! When I found out I was missing one of the series, I went to right away to order one. You won't be disappointed! Love it!

Great product, excellent service!

From the appetizers to the salads and side dishes all the way to the desserts, this book will not disappoint!
