Customer Reviews

"Food & Wine magazine has given Mobil Travel Guide's Regional Planners an A+ for Usefulness, making the top grade over both Fodor's and Frommers versions."-- Food & Wine "Overall, these guides are the winners in this group, combining attractive maps and graphics, comprehensive listings and a few suggestions for itineraries." -- Joseph Siano, New York Times "Mobil, the guidebook publisher oversees what many consider the Oscars of the travel industry."-- Gene Sloan, USA Today

The Mobil Travel Guide travel planners are designed for ease of use. This book begins with a general introduction that provides a geographical and historical orientation to the state and gives basic statewide tourist information, from climate to calendar highlights to seatbelt laws. The remainder of the book is devoted to travel destinations within the state - mainly cities and towns, but also national parks and tourist areas - which are arranged in alphabetical order. The following sections explain the wealth of information you'll find about those travel destinations: information about the area, things to see and do there, and where to stay and eat. Sections include maps and map coordinates; destination information; driving and walking tours; what to see and do; special

events; side trips; lodging and restaurant listings. Take a journey across state borders and expand your horizons. The Canada Mobil Travel Guide includes coverage of Alberta, British Columbia, Manitoba, New Brunswick, Newfoundland and Labrador, Northwest Territories, Nova Scotia, Nunavut, Ontario, Prince Edward Island, Quebec, Saskatchewan, and Yukon Territory. The Mobil Star ratings (what the Wall Street Journal calls the "gold standard of ratings") let you plan your trip with confidence, thanks to our stringent inspection process. Easier-to-read design and more concise listings have been updated for 2005, to help you get on the road faster. A new America's Byways section directs you to family-friendly historic and scenic attractions off the interstate. A new icon points out Mobil One- to Three-Star hotels and restaurants that are worth a closer look for their unique nature and extra-special amenities. An expanded Regional Travel Planner series of 17 books now includes Alaska and Hawaii to guide you through all of the US and Canada.

I love this guide. If you plan on doing any type of auto travel in Canada, then this book is for you. It's easy to read, easy to use, and packed with information that will help you get where you need to go and find something to do when you get there. It provides solid suggestions for things to do at your destination, including restaurants, parks, special events, and popular tourist attractions. It beats the heck out of a generic atlas!
