# Yosemite: The Complete Guide: Yosemite National Park (Color Travel Guide)

## Synopsis

This gorgeous, full-color guidebook reveals the highlights and hidden gems of Yosemite National Park. Yosemite is filled with incredible scenery and amazing outdoor adventures. But without careful planning, a trip there can be overwhelming. Yosemite: The Complete Guide breaks it down and gives you everything you need to make the most of your time in the park. Whatever your interests—hiking past waterfalls on the Mist Trail, strolling through a grove of giant sequoias, watching sunset from Glacier Point, relaxing at a historic lodge—Yosemite: The Complete Guide puts the best of Yosemite at your fingertips. Beautiful color photos showcase the park's best destinations. Fascinating chapters on Geology, History and Wildlife reveal the story behind the scenery. Detailed maps make travel planning easy. From the stunning waterfalls in Yosemite Valley to incredible hikes in the High Sierra, Yosemite: The Complete Guide is the only guide you'll need!

- Over 100 Color Photos
- Over 20 Detailed Maps
- Filled with Tips to save you Time and Money

## Customer Reviews

"Hands down, these are the best travel guidebooks I've ever read." —Wandering Educators

James Kaiser is an award-winning writer and photographer who was born and raised in Maine. He has written guidebooks to Costa Rica, Grand Canyon, Yosemite, Joshua Tree and Acadia National

Park.

Great book if you are staying in Yosemite for a week or more however if you want a book on just the main hikes without the history this is not for you. The hike descriptions are very brief, just a basic overview and the maps aren't detailed enough. Great book if you are staying there for a while otherwise wait until you get there and buy a map of the park and speak to a ranger :)

great history and and overview information on such items as wildlife or geology. I gave it 4 stars because I thought maps could have been better. I would buy again. The pictures are wonderful of the various areas...

This is an excellent guide for most whom never visited Yosemite which is perhaps one of the most scenic natural wonders of the world.

Great resource for Yosemite. It was really helpful when planning hikes for the trip because it shares the difficulty level and average time it takes someone to do the hike. We definitely used the info from this book. I even saw another couple carrying this book around Yosemite when we were there! it was pretty funny.

Clear, interesting, useful info about my favorite National Park (which I've camped in, hiked, backpacked, and lodged in many times over the last 41 years). I bought a copy at the Ahwahnee Hotel in April 2017 then thru bought more for gifts.

Very nice book with lots of good pictures and ideas for day trips or multi day trips. Lots of fun history in it as well!

Great guide! Full of very useful information, and I love the pictures! Planning on visiting Yosemite NP in August, and I am reading this guide from cover to cover!

Bought prior to visit to Yosemite and found this guide extremely concise, well written and easy to use. Would highly recommend.
