Henry & Glenn Forever

Synopsis

Starring super-notorious musclebound punk/metal dudes Glenn Danzig and Henry Rollins (with a little help from super-notorious soft-rockdudes Hall and Oates) Henry & Glenn Forever is a love story to end all love stories! The premise of this comic is explained in the beginning: "Henry and Glenn are very good 'friends.' They are also 'room mates.' Daryl and John live next door. They are satanists." What follows is made up of ultra-metal violence, cryfest diary entries, cringing self-doubt, and mega-hilarious emo-meltdowns. Who knew Danzig was such a vulnerable, self-conscious sweetie-pie? Who knew Rollins was such a caring spouse? Who knew Hall and Oates were so infernally evil yet so considerate? Well, illustrating/writing team Igloo Tornado (featuring super-awesome comix dude Tom Neely) did and they kicked down 66 illustrated pages telling all. Genius on all fronts. Terrifyingly cute. Cutely terrifying. As the real-life Rollins says, quoted on the back cover, "Has Glenn seen this? Trust me, he would not be impressed."

Customer Reviews

Awesome!

pretty funny, plus a good conversation piece when my friends see it!

Pretty funny for fans of the Misfits and Black Flag, more of a collection of individual single cell comics than a cohesive story. Still perfect for the coffee table.

Forever and ever!!

The comics were funny, relevant and adorable. Nice job Igloo Tornado. Hope to see plenty of more comics in the future.

Great read! Funny as hell, I'm sure mopey Glenn wont approve

Great comic. A must for any Misfits or Black Flag fan. Pokes fun at both of these icons. Reader must read it as a joke.
