English Fluency For Advanced English Speaker: How To Unlock The Full Potential To Speak English Fluently

Synopsis

The secret to speak fluent English. This book is especially written for advanced students of the English language who wish to improve their English fluency to the next level, but seems to have hit a plateau. Regardless of what actions are taken, progression is slow or limited. Here is a checklist to see if this guide is for you. You are an advanced English speaker if: You can understand 70% of an English-speaking movie. You can answer simple questions in a conversation, but you have a hard time elaborating your points when trying to explain in more detail. You can have a short conversation, but you sometimes stutter when you speak. You can write better than you speak. You stutter when you try to speak fast. You can speak quite well, but you have a strong accent. If one of those sounds familiar to you, perhaps you have found the right book. This book is essential for you to break through and not only improve your spoken skills, but develop them so well that you can speak like a native English speaker. Armed with the proven tips, tricks, and techniques in this book, you'll discover that you'll be soaring to an entirely new and exciting level of learning within days. On top of that, these guidelines can be used nearly effortlessly. Proven technique that works. You'll discover what "shadowing" is, and how it can painlessly take you to a supreme status in your studies. You'll also learn about a related method of learning to pronounce English fearlessly. It's called the "scriptorium method." Once you try it, you'll realize why so many people praise its effectiveness. English is not an easy language to learn. But if you are using proper methods to learn and speak, you'll find that your next level of learning is just a click away. Learn and adopt these techniques, tips, and many more secrets revealed in this book, and your English fluency will be in a whole different level in 60 days!

Customer Reviews

I love the strategies the author suggests for becoming more fluent in Advanced English speaking. You'll get tons of information for learning English effectively. After reading this book you will feel more motivated to improve your English. Easy to understand and well written. Excellent learning tool for those who are already a student of the language and want to learn more. Highly recommended!

Easy to read and digest. The author tips are put in simply vocabulary for students of all levels. No magic formula, just clearly explained. Read and share people, every person struggling with their English practice will appreciate it!

This book has many awesome tips for every language learners. If you really want to improve your practicing methods and get good results too, just read this book, and you get some very good and effective methods. They are handy and simple to learn and use. And best of all, they really work.

Couple of good techniques very well explained to make yourself immerse into english spoken word, I like a lot the narration by the narrator, very clear, nice pronunciation, almost every phase fully understandably. I would like that the book would include more idioms and related explanation and examples for the use of it.

Probably the best available guide on Spoken English on Kindle/Internet. Whitney Nelson had simply tried to make her reader understand various perspective of English speaking. Personally I found this book very helpful and profound. Overall an amazing offering from author. Highly recommended to anyone looking for english guide AND everyone.

Very good

I don't know why ask me to do this before I read the book!! Its ridiculous. No more review

I have found this book a real help in my daily life, I always seem to find big problems when it comes

to talking in English, this books has gave me a lot of great techniques to improve my English skill ans be able to talk it with much more fluency. I really recommend this book for all those persons that don't have English as them native language and need to get better at it. Recommend!
