The Miracle Of Seed-Faith

Synopsis

Oral Roberts was barely making ends meet when he discovered the three key principles of Seed-Faith in God's Word. "They have never failed me," he shares. "When I had no earthly source or person to turn to, when I was alone with nothing but big problems and challenges facing me, these principles showed me God is my Source. They showed me how to use my giving as a seed I was planting, and to expect God to multiply it even if it took a miracle." The Miracle of Seed-Faith has revolutionized the lives of millions of people. As you read it, let God show you how you can get your needs met through His eternal plan of seedtime and harvest, sowing and reaping, giving and receiving. Man's economic systems may fail, but God's plan never does. By getting into the rhythm of Seed-Faith living, you'll learn that His more-than-enough resources are always available to you.

This book has changed my life. I understand that it is not about getting finances back from sowing money. Planting seed will cause me to reap a harvest. A harvest of peace, joy health, and healing. Oral Roberts a General in the Kingdom of God. To know that God brings increase by I.C.I ideas, concepts and insight. Something GOOD is happening to me and my granddaughter. I am so thankful the Lord lead me to purchase this book. Best investment in a long time. Definitely a re-read.

I'm so happy to have this copy of Seed Faith. I had one 35 years ago and loved the principals Oral Roberts wrote. I still use those same principals today. Bless you for sharing this with me.

I chose this book because of the great feedback that I've read. So I read this book and it truly helped me understand the difference in seed Faith. Great book to get.

I have heard this book mentioned on multiple occasions and finally decided to purchase it. I was NOT disappointed. This is an incredible book and one that gave me tremendous insight in how much giving can really transform one's life.

Read and studied and applied it for about 45 years. I know it is true and that it works if you work it.

The only reason I gave a three star is that for being such a rare book it's a shame it has a sticker on the cover that can't be removed. Maybe I'm just being picky. Otherwise great book. Arrived on time.

This is a great find, a classic written by Oral Roberts on Seed Faith. This has not been taught where I've been (maybe I didn't have ears to hear it) for the last 30+ years. I so needed to read and hear about the seed faith principles, very down to earth applications with many heavenly rewards. Teaches the reasons for giving, which are different than the tithe or law of giving.
