## **Customer Reviews**

I studied with the man and was honored many times to sing with him at the keyboard!! The best....!!!!

As a lover of F. Schubert's Lieder, I find this Music Minus One Series quite satisfying to my needs: actually singing along with the beautiful accompanying piano by John Wustman. In spite of the strange size of the accompanying music book (to avoid photocopying?), which makes the final product oversized for ordinary shelves, the selection of individual songs are nice and pleasing to sing along. I am glad to have the Vol 2 to my collection of MMO Series. I recommend this to Tenor singers (Soprano too?).

Why not list the songs?
