The Grand Grimoire: The Red Dragon

Synopsis

The Red Dragon has been variously treated as a grimoire, a piece of folk literature, and a joke manuscript; it comprises one part of what is loosely termed "The Grand Grimoire"- a collection of magickal works from the Renaissance such as the Black Pullet and Lesser Keys of Solomon. The Red Dragon however bears the title "Grand Grimoire" on its own. Multiple editions of it exist, some with material tacked on. It takes the form of a long ritualistic ceremony designed to secure communication with a demon known as "Lucifuge Rofocale" followed by various invocations and incantations and spells. The contents are heretical in the extreme, from rituals involving boiling a black cat to the use of toxic substances in ritual form. Small wonder, that this text has gained so much notoreity.

Book Information

Paperback: 58 pages

Customer Reviews

I read this actually a little faster than I though. This book is really stepping out of my comfort zone, but books are books so I don't mind reading it at all. The only thing with this work is that the book has a lot of stuff that isn't in English, and I don't speak any other language so I felt a little useless reading those parts.Still, good book. I feel a little bad for the animals even though I eat them.

Easy to understand and goes over everything as advertised. I really enjoyed this one.

Sloppy formatting and has some typos.

Not a book for the curious. Only serious readers or those with an occult background will find this

book interesting.

Its okay

Very Happy With Book,

Great for theimagination

Timely deliveryand high quality product
