Jeffrey Brown is a two-time Eisner Awardâ "winning artist and writer of *Darth Vaderâ„¸ and Son*, *Vader'sâ„¸ Little Princess*, *Goodnight Darth Vaderâ„¸*, and *Darth Vaderâ„¸ and Friends*. A lifelong Star Wars fan, he lives in Chicago.

Purchased as a father's day gift for my SO who is a Vader fanatic and has a son & daughter. The stories are adorable and relatable. The prints are perfect for framing and look great on the wall. One note - prints are 7 x 7" and I couldn't find stock frames to fit. Getting custom frames were a bit more but worth it.

I bought this for my 4 y/o daughter. She enjoys Star Wars, and these books. The art work is in a children format, and even though a good bit of the puns are lost on children this young (she doesn't understand some of the "in the know" jokes) I thoroughly enjoy reading these to her and she sits through both laughing with me.

Adorable stories in a beautiful lil sleeve box.

Awesome!

We have boy and girl twins. They gave this to their dad for Christmas. It's a great novelty gift and the illustrations are SO funny. People love to look at it when they come over.

A Father's Day gift. My kids love them. Daddy had to read both twice to my son and daughter. Some stuff is more for adults/ parents, but the kids love it because it's Star Wars.

I got these for my husband for Father's Day. He loved them. They seem like a really fun way to get our child interested in reading. And the posters that came with this set are very cute!

Great father's day gift for a Star Wars loving daddy.
