The Art Of Beatrix Potter: Sketches, Paintings, And Illustrations

Synopsis

Published to coincide with the 150th anniversary of Beatrix Potter's birth, this magnificent collection celebrates the artist behind *The Tale of Peter Rabbit* and numerous other beloved children's books. Brimming with famous images and rarely seen gemsâranging from character sketches and notebook pages to watercolor landscapes and natural history illustrationsâthis monograph explores Potter's artistic process and reveals the places that inspired her timeless work. Organized geographically and featuring more than 200 images from the artist's oeuvre, *The Art of Beatrix Potter* includes illuminating essays by Potter scholar Linda Lear, illustration historian Steven Heller, and children's book illustrator Eleanor Taylor. It is the definitive volume on one of the world's most influential authors, a woman whose artistry, until now, has not been fully celebrated.

Customer Reviews

Beatrix Potter (1866 â 1943) was a children's book author best known for her books featuring animals. She wrote and illustrated more than 20 books for children in her career. Emily Zach is an author, editor, and image researcher specializing in art history, modern and contemporary art, illustration, and design. She lives in Seattle, Washington.

This is one of those stories of another time about the life of Beatrix Potter. Her life with tutors and having those who fostered her artistic ability plus her own love of nature appeared in illustrations of stories she wrote in letters to young friends. Books that stand the test of time usually don't just

happen and as you learn about Beatrix Potter then this is true.

Beautiful book ,Lovely to look at, interesting to see the variety of the art...botanical and landscape as well as the familiar illustrations for her children's books..

Gave it as a gift and she loved it!

lovely unusual book. just delightful. very pleased.

Absolutely gorgeous

Perfect. Thanks.

Excellent book!!!

Beautifully written with excellent Potter illustrations.
