CREATIVE FURNITURE

FOR MINECRAFT

VOLUME 2

JOHAN LÖÖF

Synopsis

Reviews on Creative Furniture Volume 1:"I've been using this eBook while furnishing my rooms in Minecraft and they come out so much better. We are quite limited at the moment when it comes to decorating but this guide really opened my mind to what is possible. There are great design suggestions for living rooms, bathrooms, kitchens and bedrooms and it gives you so much inspiration. I used to only have a few crafting benches, furnaces and the occasional painting in my rooms but now they are filled with chairs, tables, sofas, TVs and cool lighting solutions." - Vera K"I bought this book and thought that all the furniture you could have are the ones that they provide you with in the inventory. After I read the book, I had so many more ideas! Thank you so much!" - Lydia Ozonoff Take Your Minecraft World To The Next Level!With this guide you'll learn how to really make the most of what Minecraft has to offer, your friends will wonder what happened!- Over 120 Detailed And Refined Pictures To Follow Along With- Step-By-Step Instructions And Resource Lists For Every Single Design- Tasteful Variations Of Each Design- From The Author Of The Bestselling Minecraft Furniture eBook16 Extensive Furniture Ideas For Minecraft!Over the months and months I've been playing this game I've built up quite the collection of furniture designs. This eBook series is made from that collection.In Volume 2 I have taken my Minecraft designing to a new level. You will see more advanced and larger furniture designs. All designs have variations that I've carefully put together for a nice blend of materials.I have reviewed my system for making the step-by-step instructions to make them even more comprehensive and I've tried to make the pictures show just enough for the details to be visible while still retaining the ability to follow along.I invite you to dive into this guide and explore your creativity!Enjoy.

I loved this volume! I expanded on many ideas by the writer. It's nice to get a true guide that really helps learn new, fresh ideas. Unfortunately, most kindle books concerning Minecraft are a waste of time with little information and few pages. Hats off to Johan LÃ¶ff.. looking forward to more books!!

there are some really nice builds shown in this guide and they are easy to follow to get great results. It gives you some good basics if you are struggling with ideas on how to make furniture that looks great.

Not the best. There are only about 8-9 furniture designs. Anyway, none of them really pleases me, in a way, if you are a starter on minecraft, and love decorations, this is the book for you.

Bursting with creativity and originality. The ultimate guide to furniture Minecraft style. Essential for any Minecraft player, I loved it.

This book has provided me with ideas for my house that I've never dreamed of, but you should make this slightly longer.

Great book as there are a lot of ideas here. Price was fair and these ideas work in a lot of different builds.

Each piece of furniture has step by step steps, and the words are easy to understand! I've probably used more than half of all the ideas in this book. My favorite one was the kitchen. It was decorative,

usefull, and best of all, creative! Overall, I would say that this would be a great book for you if you are thinking of furnishing the interior of your house. Don't forget to check the first book of furniture ideas, its great as well! 5 Stars.

nice furniture ideas and very nice book let me make a new furniture book volume 3 and its gone!!happy aprils fools day!oh and by the way please please please write more minecraft books!
