The Seer: The Prophetic Power Of Visions, Dreams, And Open Heavens

Synopsis

The prophetic movements in church history and in contemporary life are fed by two mighty streams: the prophet, whose revelation is primarily verbal, and the seer, whose revelation is more visionary in nature. While the role of the prophet is familiar, less is known about the seer dimension. To many people, these visionary prophets remain mysterious, otherworldly, and even strange. Knowledge dispels misunderstanding. Join author Jim W. Goll on an exciting and insightful journey into this lesser-known dimension—the visionary world of the seer. You will discover the prophetic power of dreams, visions, and life under the open heavens. How does visionary revelation "happen?" Can it be trusted? Where does it fit into the life of the church today? Can any believer become a seer, or is this a prophetic dimension reserved for the specially-gifted? The Seer answers these questions and will move your heart and stir up your hunger for intimacy with God, because The Seer's goal is to reveal the man Christ Jesus!

Jim Goll has blessed the Body of Christ with a greater understanding of the prophetic voice of the Lord. He has given much biblical insight and personal experience that helps us understand the unique ministry of the Prophet and the Seer. Also, valuable guidelines and principles are given concerning how to discern a true word from the Lord and how to properly minister that word. This book will be a very valuable resource for those who desire to be used in prophetic ministry. ---Dr. Bill Hamon, Chairman and Founder of Christian International

Very informative and confirmed a few things visually explained. Enjoyed reading the shared experiences and the main thought that it's about Jesus more than experiences. Another key was the importance of relationship and intimacy with the Lord which, I agree with. With that said I find that you will appreciate the commitment the author took to generally teach certain things that will help better understand the Seer gifting . As a child I had many experiences with such (some) mentioned and concerning the flash of light as I had once experience during a Sunday service vision and recently in a dream. Much to learn as much experiences are profound and more deeper in areas I have not experience. Nice read.

This book is so well written! Do you have dreams and visions? I do, and here is a book that explains different prophetic styles that Christians receive from God. Feeling so connected! It's a great book.

What a great book. It made everything so very clear to me. Now I understand quite a bit. I recommend this to anybody that has lots of questions. The book goes into quite a bit of detail so have a notebook ready for a highlighter.

This book was highly recommended to me and I have not been disappointed. This clearly lays out what a "Seer" is and the difference that can be with different people. Also gives ways to discern what is from God and what is your own mind.

Are you interested in learning of the God's power of visions, dreams and open heavens? Do you want to grow in this area? This great book provides the scriptural foundation and teaches for each Christian to know and understand the life of the Seer and the Prophet. The subjects of dreams, visions, and open heavens are not generally taught in the church, unfortunately, but this Gifted writer has a unique and special way to teach the beginner and those who are in the 'know' in these area for spiritual growth. This is an excellent text for those studying to serve in the ministry of our Lord Jesus Christ.

I have been in services with Jim Goth when I lived in OK. I've watched his ministry shape and reshape over time, and the fruit that arises out of time spent in ministry reflects in his books. This is a great book for those who operate in the gift of a Seer anointing. It's a must read for those who are still young in their gifts, and a refresher course for those who more mature in this gift. Seers are only great at what they do when they humbly move as God's Spirit is always moving.

We read this book corporately at church. It gave greater understanding of what a seer is. Gave revelation of some signs and symbols in dreams and made me more aware of what I see

In life believers will see or hear or get a vision of future events, In my 18 years of being born again, I have seen Angels and Demons, I have heard stuff, felt stuff and been tapped, pushed and other things from the invisible world, This book was the 1st one to help me explain to myself what was going on, it's a must have for the believer
