Customer Reviews

If you haven't read any of Smith Wigglesworth's writing (or sermons) you are missing out. He was a one-of-a-kind preacher and had an amazing amount of faith. It had a huge impact on me. Highly recommend this book (or any of his books).

Virtually devoured this book and others, and then re-read them slowly to savour the rich and anointed truths being taught. A REAL faith builder. So many things explained and understood!

Wigglesworth Books are always inspiring, stirring up our faith, and teaching us how to conduct our life to bring the flow of God in our life, I recommend Wigglesworth's books, no doubt a man of God

and Faith.

His belief in God's word and his willingness to be used of the Lord is how God found favor in this man and used him in mighty ways. This is an abbreviated edition of Wigglesworth's sermons and the healing God put in his hands. He walked exactly what he talked and didn't allow things going on in the world in the late 1800's and early 1900's to sway him to the left or right, just straight ahead in what God had purposed for him to do.

This book is a testimony to the sincerity of great men of God in the past century. You could almost visualize the time and effort in the lines of every paragraph. The contents are as relevant today as it was then - God never changes and remains the same forever. This book is a collector-item to be preserved. It will resuscitate, generate genuine hope during these seasons of uncertainty - how glorious!

I've been inspired by this book and love everything this man of God offers. When you read the miracles that were performed by the Holy Spirit through him will leave you to want to go after God even more

His ministering to the people these many years ago. are so now, with the conveying of his messages the Holy Ghost delivered thru him.

Wigglesworth is an insightful pastor and teacher of the gospel. He is often quoted by other pastors such as pastor Fred Price, Kenneth Copeland. Meaningful and life changing Revelation
