Kevin Revolinski is the author of several guidebooks including 60 Hikes Madison, Backroads and Byways of Wisconsin, and Wisconsin's Best Beer Guide (formerly The Wisconsin Beer Guide: A Travel Companion). His travel memoir The Yogurt Man Cometh: Tales of an American Teacher in Turkey is now in its fourth printing and has been translated into Korean and Turkish awaiting a 2012 release (hopefully). His articles and photography have appeared in many worldwide publications including The New York Times, Chicago Tribune and Sydney Morning Herald. He is an avid hiker, loves to cook, reads as much literature and nonfiction as possible, writes short stories, plays several musical instruments, speaks Spanish, some Italian and some Turkish.

Great book with lots of photos, maps, and tips. I'm enjoying doing the hikes. I've had his hiking books before and enjoyed them, but this one kicks it up a notch with all the added material. There are some brand new parks to Milwaukee that have been included so it's the first hiking book in print to have those.

I'm training to hike the ice age trail this year. I plan to be an thru hiker. This book gave me some good information in preparation for the hike!

Great quality, fast delivery.
