Get Your Ex BACK In 30 Days Or Less! The Complete Step By Step Plan To Get Your Ex Back For Good

Synopsis

Do You Want to Know The Secret to Get Your Ex Back? Read On...Â Your brain is screaming at you to fix things, change things, make him talk to you â “ anything you can think of to make your ex come back to you. I have bad news: everything that your mind is telling you to do right now is just going to make things much worse. I also have some GOOD NEWS: there is a way to win back your ex and it works 99 out of every 100 times. Follow the advice in this book and I guarantee youâ™ll have him back in your life and back in your heart within a month. Iâ™ve Spent My Career Analyzing the Dating Game, and Now Iâ™m Here to Show YOU How to GET YOUR EX BACK! Hi, I'm Eric Monroe. Iâ™m a relationship expert, itâ™s what I do for a living. Iâ™ve spent my career analyzing relationships to work out what makes people tick and Iâ™ve helped countless women find long-lasting, passionate relationships. Iâ™ve worked with so many women whoâ™ve lost the loves of their lives, whether through problems that were allowed to fester or a mistake they regretted. Iâ™ve written this book because I want to make sure that every strong relationship has a chance to be rekindled. Give Me ONE WEEK and Iâ™ll Make You TWICE as Likely To Get Your Ex Back! Give me one month and Iâ™ll have the two of you staring into each otherâ™s eyes with love and adoration. By the time you put this guide into practice, youâ™ll understand exactly why itâ™s the ONLY way to win your ex back. In this book, weâ™ll cover: How to handle the heartbreak of those painful first few days. How to heal your own heart and come out better, stronger and more irresistible. How to get back in contact â “ and make him desperate to get back into your life and heart. And much, MUCH more. If You Don't Read This Guide, You Risk Losing Your Man FOREVER! This method has been proven to work â “ a hundred times over! Iâ™m going to show you how to resist what your heart and mind are telling you to do and take the route that REALLY WILL WORK instead. All it takes is a few easy steps and youâ™ll start to see it working within a few short days â “ and all for less than the cost of a chick flick and a carton of ice cream. 100% Money-Back Guarantee! If you follow the steps in this guide and you find theyâ™re not for you, simply click one button within 7 days and I will return 100% of your money. Thatâ™s how sure I am that I have the answer to your problem â “ I CAN help you win your exâ™s heart again. Just scroll up now and click the BUY NOW button to start WINNING YOUR EX BACK, today!

Customer Reviews

Oh, I really liked all these techniques that what I found and learned from here. Though still I don't have any plan to apply these methods but I picked this book from the wake of curiosity. This book showed me various effective ways and techniques that anyone can follow for getting back her ex. Here the author has described about how to handle the heartbreak of those painful first few days, heal those pains & come out better & more irresistible. I grabbed this book from my elder brother's account and really thankful to him for helping me to get this fantastic guidebook. Anyways, overall that what I realized after finishing my read, every strong relationship has a chance to be rekindled. So guys, just read this book and know all the secrets behind to get back ex. Nice work Eric!

You get an almost complete list of don'ts in the very beginning of this book. I've found that process of defining the cause of break up is painful and, at the same time, helpful. Good pieces of advice about your behavior on social media are included. New hobbies and new people are great in such situation too. This whole strategy works well but needs patience and even cold blood mindset.

Awesome tips to get your ex back! Eric Monroe helps you with one of the most difficult situations in your life and really puts things in perspective and gives you great practical tips that will actually

work. I have the biggest problem going radio silent, but I know the importance of it and will definitely work on it. The book is very well written and moves quickly. Thank you for all the helpful tips.

I am currently following in the steps that are listed in this book. It was a fun and empowering read, I do believe he will come back but I'm not sure if it will actually take 30 days or less. I am also unsure if I even want him back after reading. The author does a great job at helping you focus on yourself, giving you steps to have a more independent and fulfilling life regardless of how things turn out with the ex. However... Like many related books of the same topic, it somewhat bothers me that it's all about the man and what he is looking for. What turns him off, what makes him find you desirable, etc. I can't help but wonder if it may be beneficial to state that the man should also be held accountable for his actions. One shouldn't have to be emotionally manipulative with their partner to be respected. Perhaps I'm not the one with low self-esteem, he just needs to learn to appreciate his woman without having to "chase" her, and be honest about what kind of relationship he's looking for.

This is an interesting book in that it treats love and relationship like physical objects. You can manipulate them however it suits you, essentially a sort of mental game. But relationships are a two-way street. Allowing oneself time and space to heal oneself and regroup is always a good idea... The author suggests many tricks and devices a woman could employ to get her Ex back. As much as I found them intriguing, I was also turned off by them. This is purely a subjective statement, of course. Any two people who broke up from a loving relationship and are trying to rekindle the relationship may find them useful however. I liked the practical ideas to help the grieving person transition out of their circumstance so that they can become strong and go on with their lives. But to use the same ideas as a device to win over an Ex lover I thought was a bit manipulating and cunning. . . . It's a well-written book and it's a fast-paced and engaging read. You can go through it quickly and find out whether or not the ideas ring true for you.

This book is not very relevant for me at the moment- given I am happily married but I sent it to a friend as a gift and she was so thankful after reading it! She used a lot of what's written inside and she got her ex back- so I guess the title of the book is true (:I will recommend it to any other friends having breakups but want their exes back!

The book pleases everyone. It relates the practical and reality of life of every relationships out there.

It promotes hope and self-acceptance. The book tackles about loving yourself first before others. Some relationships may not end well, but this books changed the perspective. A good book, indeed!

A step-by-step plan to rekindle a lost relationship, with concrete advice. A good read for anyone whose objective is to get their ex back.
