Vocabulary Workshop: Level E

I use this book with my students to increase their vocabulary repertoire, and I find it very helpful for that purpose. However, I wish the lessons were more authentic and meaningful, as this would it easier for students to internalize the vocabulary words. Overall, I like the book and would recommend it as a vocabulary resource.

good

My son uses this for his Gifted Honors English class and it actually is a great way to increase vocabulary and usage in different formats and areas

Had to buy it for the kid's english class. If you need a vocabulary book that is required by the school then it is great. If you're looking to enjoy reading it then don't buy it.

Great resource

Thank you

Helped my son last year very much and he going to use it this year at school as well.

The item was exactly as described and worked well in our son's classes
