Anna Dewdney was a teacher, mother, and enthusiastic proponent of reading aloud to children. She continually honed her skills as an artist and writer and published her first Llama Llama book in 2005. Her passion for creating extended to home and garden and she lovingly restored an 18th century farmhouse in southern Vermont. She wrote, painted, gardened, and lived there with her partner, Reed, her two daughters, two wirehaired pointing griffons, and one bulldog. Anna passed away in 2016, but her spirit will live on in her books.

Llama Llama books are simple little books that teach sweet lessons to young children. I bought ...I Love You for two young sisters to share for Valentine's Day and was so pleased when it arrived. It's a board book made of high quality materials, the pictures are bright and cute and the book teaches the power of sharing love and making your own gifts. Just hope the 1 and 3-year olds enjoy it as

much as this 70-year old did!!

Such a sweet little book, my baby loves all the "Llama Llama" books. The board books are so nice and sturdy he can play with them and I don't worry that he will peel off the paper. The illustrations are beautiful and the message is too! Hope this was helpful to you!

My daughter loves the Llama Llama books but we were a little disappointed in this one. We didn't realize it was a Valentine's focused book, my error for not researching properly. The other books all seem to teach something but this book is just about giving Valentine's, not really a learning book.

Cute & quick book! Bought this for my little guy for valentine's day. I'm a sucker for rhyming books and the "llama llama" phrase always gets and giggle out of him.

I am in my mid-sixties and LOVE reading ALL of Anna Dewdney's books to my grandchildren! I have not found even one that isn't worth the time reading or the cost! My grandkids LOVE them all to the extent that we have to read them all every time!

Great simple book! My six month old daughter loves the Llama Llama books, especially this one. It is one of her favorites and mine as well.

I purchased this classic not realizing that my grandson's parents had purchased it also for a parents' read aloud day at his school. Luckily, they also donate the selected book to the class, so my grandson got to keep my copy at home. :-)

As always Llama llama books are simply yet sweet and this one is no exception. Cute valentines gift
