An excerpt from the book: The NBA has had its share of dominant players that could lord over defenders and push around grown men inside the paint with ease. As they say, the NBA is a big man's league, and some of the best players the league has ever seen were among the greatest and most dominant men to have ever set foot on a hard wood floor. And wherever those dominant players went, success would usually follow. One of the NBA's pioneering dominant players was George Mikan, who played for what was then the Minneapolis Lakers back in the 50's. At 6'10" and 250 pounds, Mikan would not be considered one of the biggest players in today's era. But back then, he was already among the largest in the league. Nobody could stop him in the paint on his way to five NBA titles. The first truly dominant player in league history was Wilt Chamberlain. Standing above seven feet tall and weighing nearly 300 pounds of lean muscle mass, "Wilt the Stilt" used his height and strength advantage to bully players down under the basket. Chamberlain was rumored to be so strong that he could easily lift a man over 200 pounds using only one arm. He even once dunked the ball so hard that it broke an opposing player's toe. All of this strength and size were vital for Wilt Chamberlain to score 100 points in a single game. He even averaged over 50 points a game during one season while holding five of the top ten scoring averages in a single season. He was a man among boys back in the 60's era. Wilt would end up with two NBA titles, which he won during the twilight years of his career. During the 80's and 90's, Karl Malone would use his bodybuilder strength and muscle to push opposing power forwards around when he bulled his way to easy baskets inside the paint. Because of how well-conditioned and dominant of a player Malone was, he was able to

stay active until the age of 40. Eventually, Malone finished second in most points ever scored in a career. Sadly, Malone was always the bridesmaid to Michael Jordan's bride as he would never win an NBA championship during his era.
