The Princess Twins Play In The Garden (I Can Read! / Princess Twins Series)

Synopsis

On a lovely day, two princess twins play with their friends in the castle garden. Princess Emma is concerned about looking pretty and stays out of the fun. When her concern about her looks hurts a friend, Emma must decide what is more important, looking good on the outside or having a kind heart. This level-one story teaches girls what it means to be a princess for the true King. A lesson in the importance of inner beauty.

My 4 year old daughter loves these books. I like that they have a good message. This edition has the best illustrations in my opinion.

Love the values and the twins!

My daughter started reading these books in the summer before pre-K and it truly helped her with reading going into the Kindergarden. I would recommend these books.

Part of a continuing line of early reader books about "the princess twins," *The Princess Twins and Play in the Garden* by Mona Hodgson is a great little story for any child who tends to dislike getting messy. This "I Can Read!" Level 1 story centers around Emma, a rather prissy little princess who thinks it's vital to stay clean and beautiful. She screams when a ladybug lands on her dress and lets her sister Abby have all the fun during a playdate with two peasant girls. While they ride the pony, make sand castles, and play soccer, Emma sits to one side. "I don't want to get dirty," she says. "A princess must look pretty." When one of the little peasant girls accidentally kicks the muddy ball straight into Emma's dress, Emma is upset at first. When the little girl apologizes with tears in her eyes, however, Emma hugs her and finally decides to join in on the game. When the peasant girls' mother comes to fetch her children, she calls Emma and Abby "lovely girls." Just then, a ladybug lands on Emma's dress...and she smiles. "Thank you, God, for a lovely day," she says.

What I Like: This is a simple story any girl can relate to, even if she's more of a tom-boy than a prissy princess. The illustrations by Meredith Johnson are in her typical style (Johnson also illustrates the popular "Gigi" books) and show whimsy on every page.

What I Dislike: Nothing.

Overall Rating: Excellent.

Christian Children's Book Review

My 4 year old is 100% girly girl, she wears a dress every day!!! My daughter has never been too cautious of getting dirty though, we do a lot of crafts and play outside and since she is always in a dress she just assumes mom can get it clean later. I think my daughter was excited to see that the princess finally let go and went and had fun!
