The Adventures Of Little Sister: An Adult And Kids Coloring Book

Synopsis

Join in the adventures of Little Sister with 24 delightful, full size drawings to color, plus a full set of crafter size 5 x 7" and bonus coloring pages. (53 total images) If you would like to see the video preview of this book, please click on the author name in blue above for the official author page. Have fun with "Little Sister" who can be a bit of a princess one moment and a wild, little tomboy the next. Come to a tea party, a birthday party or a meeting of the Crayon Club. Can you hang "Upside Down" from a tree? Little Sister can, and she loves to ride a "Carrousel Horse". You can color some of Little Sister's beautiful dolls or teddy bears. You can help her pick some "Flowers For Mommy" or play with her new pet, a wood rat. She has fun in "Rain", "Sun" or "Snow". Some of the other fun pages to color include: Fish Face, Bedtime Prayer, Ballerina, Talking To Santa, the Easter Egg Hunt and the Pledge of Allegiance. Each picture in this wonderful book has a "story"; and those stories are included in special pages at the end of the book to help inspire you, as you color.

Sue Curry was born in West Australia and came to America with her war bride mother and US Navy father. Raised in Southern California, she later married Pastor Ed Curry and currently lives in the agricultural area of Selma, California. Curious about the region and history of the valley and the many old farm, Sue began doing research which was inspired by her own family history and that of

her husband who was raised as a dairyman's son. Sue's books reach back to her childhood and a simpler life style. 'Living On Memory Lane' take you back to the early 1900's and the life of a farmer, his wife and children. Through the stories for each picture, you are inspired to color the scenes. 'The Adventures of Little Sister' lets you see life as it was, when Sue and her sisters were growing up in the 1950's and 60's. Each drawing to color has a story to explain the scene. Sue's books are suitable for children of all ages from 9 to 99.

I bought this book about a week ago, it is so cute, touching, beautiful, I am in my 50's, I have an older sister and a younger sister. This book brings back so many special memories. Each picture is drawn with such perfect details, the backgrounds that are so right with pictures title's. The paper is the normal Create Space/, thin, medium tooth, takes pencil crayons beautifully. The pictures are one-sided so with a blotter page you can protect the next page when using oil based markers, gel pens, hard pencil crayons. Each picture is framed, enough space is left in the book so the pictures can be removed or fully color the picture in your coloring book. There are two front pictures, thumbnail pictures, then the regular pictures (24 pages), then a full set of 5 x 7 pictures, this is a quality book. You'll miss an original if you don't purchase this beautiful book.

When I first spotted this book, I thought it was cute. I grew up with two sisters, so it seemed like it might fit. Then I got this book and I'm sitting here coloring a ballerina. I don't do ballerinas and yet here I am. LOL Because of a tragedy with the colored pencils I wanted to use, I used some Twistables I had here and hadn't tried yet. I was limited on colors with them but I love a challenge so that made it interesting as well. Once finished, I am flipping through the book and discover at the back "The Stories that inspire The Adventures of Little Sister". After reading the back story to The Ballerina, I understood why I was coloring a ballerina! LOL In my childhood it would have been a baton twirler, but close enough to get it. I have fallen head over heels for this book. Crayons...it needs some crayons. I'm finding a joy and contentment like I get with no other coloring. There is a time for fancy blending and technique, but some days you just need a crayon and to relive life's memories. I highly recommend this book for anyone who wants to feel like a kid again! Well, done Susan Curry! I cannot wait to see what your little cousins will be up to in your next book!

I checked this book out on Youtube, so I knew the pictures were cute, and brought back some of my own childhood memories. The pictures are one-sided, which is nice. And I think I'll try my gel pens on the smaller pictures (duplicates of the regular pictures). Should only add to the fun! It was a good

price, too!

I love this book! The pictures are so cute and nicely drawn. The stories are so sweet they bring back my childhood memories and memories with my children. The circus one is a treasure!

This is a fabulous book! I really enjoyed Susan's first book & this one is equally exciting to color!!
Can't wait till her next one comes out. She is definitely on my list of favorite artists!!!

Being a little sister myself, I couldn't resist the subject matter of this book. You will also like that each page has its own story about how it came to be. You won't be sorry.

Love the adventures of Little Sister coloring book,it's very unique in telling a little story about each picture which makes it more fun to color,also included in the book are 5"x7" duplicate pictures to color & frame,make cards or just practice on before doing the big picture. A great added bonus for sure. You won't be disappointed with this book! Happy Coloring

I bought this book not knowing if I would like it. I placed the other 2 in my wish list, just in case. Oh my goodness, I love, love this book. I started coloring in it right away. Can't wait to get the other 2 books. So adorable!! Recommend 100! Definitely more than 5 stars!!!!
