## Customer Reviews

The book was in perfect condition and reading it along with my ADHD stepson has really been helpful to him in his focus and comprehension. The book reads well for a ninth grade edition. It has a lot more information than we learned when I had world history. It is highly recommended for parents who want or need to help their child learn more and get a better grade.

done

Exactly what I was expecting. Great. No surprises. Good condition. It will be perfect for what I need it for. Thank you!

wonderful

Good service

Very good. Exactly new. Save me from \$80 to graduate. Brand new well the one sent to me was consider Brand new. Message Seller before order ! Have a wonderful day.
