Customer Reviews

Whenever our family gets together, it seems like they want to cook something on our outdoor grill. It's a convenient way to cook lots of flavorful foods, but our recipe list is pretty slim - hot dogs, hamburgers, and, really, that's about it. This book which includes lots of innovative meal ideas we can prepare quickly for everyone(!), with all or part of the cooking done on the grill. We really enjoy the "almost stir-fry rice" - it really does go with just about everything, and the steak street tacos, with a simple bar arrangement of condiments and toppings, is another huge hit. The grilled "wow corn" on the cob is another welcome addition to our family get-togethers.
