Synopsis

Feeling "alive" is commonly used to describe the state when you are energized, excited, full of life! And that's exactly what these books inspire -- a feeling of eagerness to explore and discover. Alive! Guides are a refreshing change from the "same-old" guidebooks. They are written for the savvy traveler who is looking for quality and value in accommodations and dining, with a selection of activities to fill the days and nights. Each book's introduction covers the basic travel information, including climate, when to go, what to pack, history, package tours, geography and -- for overseas destinations -- currency concerns and health issues. Daytime pursuits are detailed in the "Sunup to Sundown" section, which cover the best beaches, walking tours, driving excursions, nature trips and sightseeing. Shopping plays a big part, with tips on how to barter in island crafts markets and where to find the best deals. And if you're looking for some fun when the stars come out, turn to the "After Dark" section, where you'll find descriptions of the best discos, cigar bars, theaters, movies, nightclubs and happy hours!
