100 Things Rangers Fans Should Know & Do Before They Die (100 Things...Fans Should Know)

Synopsis

Most New York Rangers fans have taken in a game or two at Madison Square Garden, have seen highlights of a young Mike Richter, and know how the Broadway Blueshirts got their nickname. But only real fans know about the Curse of 1940, can name the players in "The Bread Line," or remember "The Save." 100 Things New York Rangers Fans Should Know & Do Before They Die is the ultimate resource guide for true fans of New York Rangers hockey. Whether you're a die-hard booster from the days of Emile Francis or a new supporter of head coach Alain Vigneault, these are the 100 things every fan needs to know and do in their lifetime. Authors Adam Raider and Russ Cohen have collected every essential piece of Rangers knowledge and trivia, as well as must-do activities, and ranked them all, providing an entertaining and easy-to-follow checklist for any Rangers fan.

Customer Reviews

Adam Raider is a writer who has covered hockey and the business of sports for various magazines, including Hockey Business News, Hockey Digest, Hockey News, and Street & Smith's Sports Business Journal. He is a former columnist and contributing editor for New England Hockey Journal and author of Frozen in Time: The Minnesota North Stars. He lives in West Hartford, Connecticut. Russ Cohen is a sports journalist whose work has appeared in numerous places, including on FoxSports.com and NHL.com and in publications such as Beckett Hockey, Canadian Sports Collector, Goalie News, and Hockey News. He is the author of Strike Three and The Winter

Classic: The NHL's Savior. He lives in Glassboro, New Jersey.

The two authors' knowledge and fandom passion come through in every page. The book is presented as a "countdown" of sorts, with #1 being the June 1994 Stanley Cup championship. The fact that the Chapters were not presented in chronological order did not bother me; each chapter is fairly self-contained. In fact, I liked the way the book covered different topics from trades, players, famous games, to hockey history. It reminded me of the type of discussions fans have when watching a game together: bouncing around from topic to topic. But this time you're reading it from experts who have all their facts correctly. I definitely learned a lot about the Rangers and the history of hockey and the NHL in general from this book. There are two quizzes in the book which were really difficult! My minor criticism of the book is that I wish there were more photos. It would have been nice for each of the 100 chapters to have a photo, but I'm sure that gathering and paying for that many photos was cost-prohibitive for the publisher, so only about 1 in 5 Chapters have a photo. But I still highly recommend this book for Rangers fans.

My husband loves it! I put it in his stocking for christmas. I feel like there are more facts in the book than "things to do" but that's ok. I thought it'd be more of a "fun" book but it's more factual. Still none the less my Hubby loves it =)

What an absolutely fabulous book! Such great tidbits, hilarious anecdotes I had never heard before plus lots of things to add to my Ranger to-do list. In particular, I loved the unique trivia questions that were posed and answered, the inclusion of the absurd quandary fans experienced during the 2014 Stanley Cup Finals regarding ticket prices - "Buy a ticket? Pay my rent?" LOL!, the nod to the Garden of Dreams Foundation, which was a very cool thing to include along with all the lighthearted stories, not to mention reading about the massive brawl that spilled over into the Garden stands after a fan from my hometown swiped a Bruins player's stick. Such great memories recounted and retold in an exciting, fast-read way. In fact, I finished the 355 page book the same day it arrived pre-ordered in the mail. Lastly, I would be remiss without giving a special thank you shout-out to co-authors Adam Raider and Russ Cohen for including my personal encounter with Ranger great, Adam Graves, in the book. Cannot express what a HUGE thrill it is to see it printed in black & white for all to relive. Great job, gentlemen, producing an amazing book and a must-read for all Ranger fans. :)

I've been a diehard Ranger fan since 1962. A likeminded friend received this book from his girlfriend for Christmas and recommended it. I'm grateful for the recommendation. What a great read! If you're a true fan you will absolutely love this book. Once I started I couldn't put it down. 351 pages and I read it in a day and a half. Wonderful stuff every Rangers fan will love.

Good book.

This book is for my RANGERS ADDICTED child for Christmas and I think she'll love it (will give an update after Christmas) but wanted to say how quickly we received this book and how great it was packaged. Perfect condition. Thanks!

Great book for my sons-in-law as they are Ranger fans

This is definitely a MUST READ for Rangers fans. Lots of great knowledge and trivia. I learned a lot from this book. Glad to have it. LET'S GO RANGERS!
