Customer Reviews

Funnee! I'm gonna frame and gift some pages after I colour them. Certain friends who use these words will LOL! Over all better then I expected. Don't let your kids see it!!!

Good

Best therapy a person can have. Great price for many smiles! Thanks !

It is what it is. Pretty funny and very thought out. Very relaxing to color again even at 29. I do it while watching Netflix and time flies by.

Pick up a few of these to stash away. They come in handy when you need a little pick me up for a friend that's down!

I loved this coloring book... it is so funny. I got it for my mum for Christmas and she loved it

I this book! It's been so much fun to color. All of my friends that have seen it want one.

Love this coloring book to death!
