Book by Chuck Wendig, Rick Chillot

I'm a long time white wolf world of darkness player and st. but never a fan of the game Hunter. That being said, I really enjoyed this book. Hunter: Urban Legends is easily useful for any of the white wolf world of darkness games. They give info on rare and strange creatures and additional info on creatures only presented once in their game line, such as the Jersey Devil. And an interesting look at unseelie fey from a Hunter's perspective. Highly recommended for any gamemaster.
